The Institute of
Chartered Accountants
of Manitoba Presents...

The 2007 Beyond The Perimeter Conference

for Practitioners Serving Small
Manitoba Business

September 24 & 25, 2007

Elkhorn Resort
Clear Lake, Manitoba

Monday September 24, 2007

Income Tax Update

9:00 a.m.- 12:00 p.m.
Presented by:
Ken W. Grower, BA,
FCA, TEP

This session will provide a summary of tax law changes in the past year. The content will focus on changes and relevant issues in taxation that affect individuals and most businesses in the private sector. Participants will learn how the current level of personal and corporate tax rates affect and, possibly, change accepted tax planning techniques. A review of the current integration of personal and corporate tax rates will also be provided. In addition, a portion of the seminar will be devoted to agricultural tax issues.

Topics include:

- Tax rate changes/integration
- Federal Budget
- Information from CRA and the Department of Finance
- Tax Cases
- CRA Private Interpretations
- Agricultural tax issues

Monday September 24, 2007

Professional Practice Matters

1:00 p.m.- 4:30 p.m.
Presented by:
John Kelly, FCA

This seminar will provide an overview of recent developments in professional practice including:

- Firm quality control systems, and the required annual monitoring thereof
- The changes to the Notice to Reader and the implications of the new section
- The impact (if any) of moving to international standards
- The likelihood of moving to International standards - with or without Canadianization
- Observations on review engagements and compilation engagements

Rural Roundtable
7:00p.m.-8:30p.m.
Facilitated by:
Bob Wall, FCA

An open forum to network, voice comments and concerns and share best practices.

Tuesday, September 25, 2007

Accounting Update
