Annrc:                   Who did your taxes? You? A friend? A chartered accountant? Were they done right? Are you sure? Jason, like Anthony Chan and Sarah Cole, took the free H&R Block double-check challenge and got more back. Jason got \$2,409 back, Anthony more than \$1,200. See if we can find you more. Bring in your past returns and we'll double-check them free.
